When asked about his experience being a co-host on the popular Browns-based podcast, former co-host Jeremy Powell said, "It's been incredible. It was always a dream of mine to host a sports talk radio show, to have interviewed the level of guests we did and rise as high on the iTunes Charts as we did (106) was unbelievable. Working with Chase and Holly has been amazing. I've learned a ton and had an absolutely phenomenal time! It's been awesome to see the network grow from me and Chase to what it is today. Of course, I have some sadness leaving the show but I'm excited for the future and the ability to take on a new project. I'm looking forward to what the future holds!
